## EUROBOND D3 FLOATING FLOOR GLUE

*The ideal glue for T&G flooring!*  
Eurobond D3 stays flexible while forming a watertight bond.

The first American-manufactured, D3-certified adhesive for use when installing a click or T&G floor, EuroBond D3 is certified to meet and exceed tough European D3 standards. This specially formulated glue is designed for high-strength flexibility and is far more effective against water damage than any other glues.

- Flexible when dry
- D3-certified by FIRA
- Flexibility results in a stronger bond
- More effective barrier to water damage than other glues
- Application is easy due to unique formula and applicator
- One bottle covers 125 – 200 linear feet
- Made in the USA – *the only product with European D3 certification!*
