SOLUTIONS FOR YOUR FLOORS

## CAL•FLOR FLOOR INSTALLATION KIT

Ideal for laminate and engineered wood floor installations.

Customers will appreciate the convenience of this handy kit when they install their floors. Both pull bar and tapping block are built tough to withstand numerous floor installations. Spacers can be reused.

- Double-sided stepped spacers can be used for either laminate or engineered floating floors
- Solid tapping block built tough for use
- Heavy-duty 4mm thick galvanized pull-bar
- Easy to stock alongside flooring inventory
- Underlayments as add-on sale also available
