

Flooring Repair Kit

- Match accents like marbling and graining
- Unlimited colors to choose from
- Mix your own colors in 3 easy steps

The Flooring Repair Kit was specially designed to permanently repair any surface damage to:

- Ceramic Tile
- Sealed Hardwood Floors
- Laminate Floors
- Vinyl Floors
- Engineered Wood Floors
- Countertops
- Desktops

With an easy three step application:

- **Match** your floor to a color in the enclosed swatch book
- **Mix** the color following the formula in the guide
- **Apply** to your floor and allow to dry

Accents such as graining, marbling, and patterns are just as easy to match so your repair will blend with the flooring making it almost invisible!
