

# Scratch Away!

## *Finally!.. A Scratch Treatment for Hard Surface Flooring!*

- ScratchAway works as both a cleaner and a polish
- Can be applied as often as desired, *without a wax buildup*
- Reduces visibility of scratches by up to 80%
- Special formula provides protective shield
- Wax and Solvent free
- Works on pre-finished wood and laminate floors as well as other non-porous surfaces
- Intended for use on surface scratches
- 13 oz Aerosol can
- Made in the US... *the only product of its kind!!!*

*The directions are simple!*

1. Shake well.
2. Spray on scratched area or entire floor.
3. Buff in a circular motion as it dries. If initial gloss level is too high, continue buffing until the desired sheen is achieved.
4. Apply as frequently as necessary.
